

# City of Peterborough Media Release

For Immediate Release  
April 11, 2018  
Peterborough, ON --

## **Official Plan Update – Land Use and Transportation Surveys**

There are two weeks remaining before the latest surveys for the Official Plan Update close. The City of Peterborough is inviting residents and interested parties to participate in the Land Use and Transportation surveys before they close on April 24th, 2018.

The surveys provide participants the opportunity to suggest new locations for new development like housing, stores, and parkland, describe their ideas for key areas of growth in the City, such as the Downtown and the Lansdowne Street corridor, and identify priorities for transportation improvements. Community feedback from the surveys will be used to guide the transition of key growth areas in the City and to inform the City's land use, transportation, and urban design policies in the Official Plan.

The City would like to thank everyone who has taken the time to complete the surveys so far and those who continue to participate in the Official Plan Update process.

Those interested in completing the surveys online and subscribing to email updates may visit the City of Peterborough's Official Plan Update project website at [www.peterborough.ca/planit](http://www.peterborough.ca/planit). Paper copies of the survey are available at the City's Planning Division located at City Hall, 500 George Street North.

This information is also on our [City of Peterborough website](http://www.peterborough.ca) ([www.peterborough.ca](http://www.peterborough.ca)).
