2018 Municipal Election Internet Voting Is Underway

Peterborough, ON – Internet Voting for the City of Peterborough 2018 Municipal Election began at 9 a.m. this morning. This convenient method of casting your ballot from your computer, tablet or Smartphone will remain open until polls close at 8 p.m. on Election Day, October 22, 2018. Registration for Internet Voting closes at 7 p.m. on October 22.

“The Election Team is pleased to see that more than 426 electors have registered to vote online on the first day of Internet Voting. This is a convenient way to cast a ballot in the City of Peterborough Municipal Election and we are happy to see a strong start,” commented John Kennedy, City Clerk and Returning Officer.

To vote online, please visit www.peterboroughvotes.ca and complete the two-step verification process:

1. Complete the registration using your Voter ID found on your Voter Information Card.
2. Once your registration is approved, you will receive an email with a link to your PIN, which you can then use to vote online.

“Over 10,000 people voted online in Peterborough’s last Municipal Election,” Kennedy said. “We have had great feedback about the convenience of Internet Voting and we anticipate that even more electors will choose to vote online in 2018.”

All registered electors should have received a Voter Information Card in the mail last week. If you have not received yours, please check to see if you are on the Voters’ List online at www.peterboroughvotes.ca or by calling the Election Hotline 705-742-7777 ext.1022.
